

“My Stop” for Students and Parents!

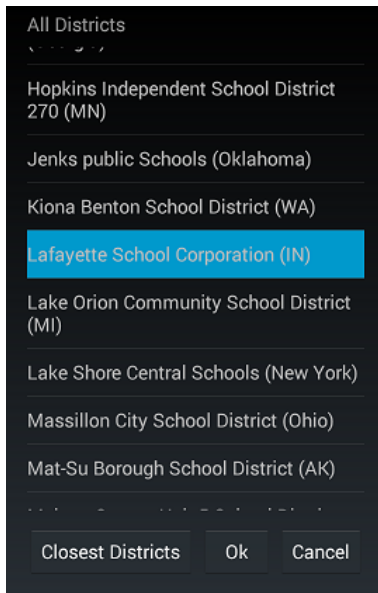

The Lafayette School Corporation now provides a native “app” that allows our Parents and Students to use their smartphone to view the current location of their assigned school bus and its current “live” route status. The application is called “**My Stop**” and it is provided free of charge by the school district. It will operate on iPhone® or Android™ mobile device.

How to use:

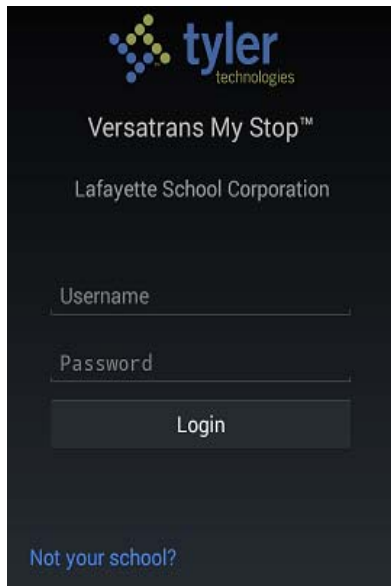

From your smartphone: Download the My Stop App for iPhone® mobile device by going to the Apple App Store or for Android™ mobile device by going to the Google Play Store and search for the app name “Versatrans My Stop”.

Open the App and Tap on “Tap to select a school district”.

Then Tap “All Districts” you will need to scroll to select and find “Lafayette School Corporation (IN)” then Tap ok.

If you get the home screen and Lafayette School Corporation is not displayed as seen in the screen shot, Tap the blue, “Not your School?” in the lower left and follow the instructions to select our district.

Once you see the login screen with Lafayette School Corporation, enter the username (**The Username is your Student ID**) and password (**The Password is your Home Phone Number in 10 digit format**).

Tap “Login” to see a map showing the route of your student’s bus and the estimated time of arrival to their stop.

All active children using the scheduled LSC provided bus routes have the ability to monitor scheduled routes.
